

STAT 3470: Introduction to Probability and Statistics for Engineers
Postle Hall 1180
MWF 12:40 – 1:35

The Ohio State University, Autumn 2016

Instructor: Kevin Donges
329 Cockins Hall
614.292.4713
donges.2@osu.edu

Office Hours: MWF 10:30 – 11:30 or by appointment

Course Description: Introduction to probability, Bayes' theorem; discrete and continuous random variables, expected value, probability distributions; point and interval estimation; hypothesis tests for means and proportions; least squares regression

Prerequisite: MATH 1152, 1161.xx, 1172, 1181H, 153, or 254, or equivalent, or permission of the instructor. Not open to students with credit for 3450, 3460, 427, or 428.

Textbook: *Probability and Statistics for Engineering and the Sciences*, 9th Edition, by Jay L. Devore

Topics: We will be covering chapters 2 (Probability), 3 (Discrete Random Variables and Probability Distributions), 4 (Continuous Random Variables and Probability Distributions), 5 (Joint Probability Distributions and Random Samples), 6 (Point Estimation), 7 (Statistical Intervals Based on a Single Sample), 8 (Tests of Hypothesis Based on a Single Sample), 12 (Simple Linear Regression and Correlation), 13 (Nonlinear and Multiple Regression), 14 (Goodness of Fit Tests). You are responsible for familiarizing yourself with the material contained in chapter 1.

Website: The course website is carmen.osu.edu; please check it regularly. On the site you will find announcements, the syllabus, homework assignments, and solutions.

Important Dates: The last day to drop a course is Friday, September 16th. The last day to withdraw from a course without petitioning is Friday, October 28th. There will be no class Monday, September 5th (Labor Day), Friday, October 14th (Autumn Break), Friday, November 11th (Veterans Day), Wednesday, November 23rd (Thanksgiving Break).

Attendance: While I will not be taking attendance, you are expected to attend every class session. If you miss class then it is your responsibility to get any and all material covered from a classmate. Arriving late or leaving early is distracting to you, your classmates, and me and will not be tolerated.

Electronic devices: Use of communication devices and technology for activities other than class work disrupt the learning process for you and others in the class and is not permitted. Cell phones and other electronic devices should be turned off or silenced during class.

Extra Help: The Mathematics and Statistics Learning Center provides group tutoring in Cockins Hall 134 from 9:10 – 6:20 (MTWR) and 9:10 – 1:40 (F) beginning August 29th. More information can be found at <https://mslc.osu.edu/mslc-free-tutoring>.

Evaluation:

Homework	20%
Exam 1 (Wednesday, September 21 st)	20%
Exam 2 (Wednesday, October 26 th)	20%
Exam 3 (Wednesday, November 30 th)	20%
Final Exam (Friday, Dec. 9 th 12:00 – 1:45)	20%

Homework will be administered via WebAssign. The dates for the exams are tentative and I reserve the right to change the dates of any and all assessments; at least one week of notice will be provided in case of a change. All assessments must be completed in pencil. Late homework will not be accepted and no makeup exams will be given. Please note that solutions, not answers, will be graded; a correct answer alone will not get full credit if the steps leading to it are not clear and/or correct. The grading scale will be no harsher than the following scale (please note that I reserve the right to give +/- as justified.):

A	B	C	D	E
≥ 90%	80% – 89%	70% – 79%	60% – 69%	< 60%

Calculators: At my discretion, students may be prohibited from using calculators on some assessments. Please note that at no time will you be permitted to use a calculator with a CAS.

Accommodation: The University strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please let me know immediately so that we can privately discuss options. You are also welcome to register with Student Life Disability Services to establish reasonable accommodations. After registration, make arrangements with me as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. (**SLDS contact information:** slds@osu.edu; 614-292-3307; slds.osu.edu; 098 Baker Hall, 113 W. 12th Avenue.)

Academic Misconduct: Please help us to maintain an academic environment of mutual respect, fair treatment, and personal growth. You are expected to produce original and independent work for exams and homework. Although students are often encouraged to work together on homework assignments, all students must submit their own written work in their own words. It is the responsibility of the Committee on Academic Misconduct to investigate or establish procedures for the investigation of all reported cases of student academic misconduct. The term “academic misconduct” includes all forms of student academic misconduct wherever committed; illustrated by, but not limited to, cases of plagiarism and dishonest practices in connection with examinations. Instructors shall report all instances of alleged academic misconduct to the committee (Faculty Rule 3335-5-487). For additional information, see the Code of Student Conduct at <http://studentlife.osu.edu/csc/>.

Final Comment: It is crucial that we have a mutual respect for one another as members of the OSU community and that we conduct ourselves accordingly. My responsibilities include coming to class prepared to teach you statistics, giving clear lectures, assigning carefully chosen homework problems that are relevant to our course, and carefully preparing quiz and exam questions that accurately measure your progress in the course. Additionally, I am responsible to be available to you outside of class for consultation in office hours and by appointment. Likewise, I expect you to come to class motivated to learn the material. This involves reading the material ahead of time, promptly starting the homework assignments, and seeking additional help before it is too late. Ultimately, you are responsible for your university education and what you take from it.

Tentative Schedule:

Week	Sections
1 (8/24, 8/26)	2.1 – 2.2
2 (8/29, 8/31, 9/1)	2.3 – 2.5
3 (9/7, 9/9)	3.1 – 3.3
4 (9/12, 9/14, 9/16)	3.4 – 3.6
5 (9/19, 9/21, 9/23)	Review, Exam 1 , 4.1
6 (9/26, 9/28, 9/30)	4.2 – 4.4
7 (10/3, 10/5, 10/7)	5.1 – 5.2
8 (10/10, 10/12)	5.3 – 5.4
9 (10/17, 10/19, 10/21)	6.1 – 6.2
10 (10/24, 10/26, 10/28)	Review, Exam 2, 7.1
11 (10/31, 11/2, 11/4)	7.2 – 7.3, 8.1
12 (11/7, 11/9)	8.2 – 8.4
13 (11/14, 11/16, 11/18)	14.1, 12.1 – 12.2
14 (11/21)	12.3 – 12.4
15 (11/28, 11/30, 12/2)	Review, Exam 3, 13.1
16 (12/5, 12/7)	13.2, 13.4
12/9 Comprehensive Final Exam 12:00 – 1:45
